The image shows a screenshot of a Visual Studio Code editor window. The title bar at the top reads "sheikha Portfolio". The interface includes a sidebar on the left with an "EXPLORER" view showing a file tree for "SHEIKHA POR..." with folders "assets" and "js", and files "index.html" and "index.js". The "index.js" file is selected and open in the main editor area. The code in the editor is as follows:

```
